Figure 1 is a schematic diagram of a mechanical assembly, likely a vehicle's rear suspension or steering system. The diagram shows a complex arrangement of components. A main frame or chassis (61) is shown with various mounting points. A control arm (62) is connected to the frame and a steering knuckle (12). The steering knuckle is further connected to a wheel hub (13). Other components labeled include 53, 57, 58, 59, 60, 65, 66, 67, and C. Arrows indicate the direction of movement or force applied to the components.
